Northern New Jersey Region of the Sports Car Club of America

50 Years at Lime Rock Park presented by Driving Impressions

The event was held at Lime Rock Park in Lakeville, CT on July 27th and 28th, 2007. The Races consisted of eight (8) race groups. The sanction number for the Regional Race is 07-N-63-P

Driving Impressions sponsored the races and provided a discount to SCCA members and commemorative buttons. Worker award was a \$10 gas card; much appreciated in these days of rising fuel prices.

Two qualifying sessions were held on Friday. The results of the morning and afternoon sessions were merged using the Orbits 4 Merge feature to produce final grids. In race group 3, the F500 class was at the back of the FF class.

The weather was exceedingly hot and humid on Friday. Saturday morning saw a few short downpours which cooled the air but produced high humidity for the rest of the day.

The races on Saturday ran fairly close to schedule. The eight races were 30 laps as published.

Timing and Scoring ran a crew of 15 on Friday and 17 on Saturday.

Special recognition should go to Denise Patten NER Chief of T&S, Barb Kilmer NER, and Nancy Huber, NE Div. Admin for T&S, for running the Orbits 4 computer; Jim Dykman manual scoring team captain; Lenore Panas distribution chief and Bart Carlevaro who hauled and set up the computers and timing light and packed equipment.
