## *NARRC Championship Regional Races*

The event was held at Lime Rock Park in Lakeville, CT on September 28th and 29th, 2007. The Races consisted of eight (8) race groups. The sanction number for the Regional Race is 07-RS-175-S.

Two qualifying sessions were held on Friday. The results of the morning and afternoon sessions were merged using the Orbits 4 Merge feature to produce final grids.

The weather beautifully cool on Friday with a quick drizzle in the early morning. Saturday was warm, sunny and a beautiful New England day.

The races on Saturday ran earlier than the proposed schedule. The eight races were 25 laps as published in the Supplementary Regulation. Timing and Scoring ran a crew of 10 on Friday and 15 on Saturday.

Special recognition should go to Nancy Huber, NE Div. Admin for T&S and Barb Kilmer, for running the Orbits 4 computer; Jim Dykman manual scoring team captain; Lenore Panas distribution chief and Bart Carlevaro who hauled and set up the computers and timing light and packed equipment.
